*Please attach entry to this form. Entries should be submitted on 8 ½" x 10" paper*

The Miami Design Preservation League will be hosting the 30<sup>th</sup> annual Art Deco Weekend festival along Ocean Drive in South Beach from January 12-14, 2007. This year we would like to invite the children to participate in an *Arf Deco* design project to promote our annual dog parade.

- The design must focus mostly on dogs
- The design should include the tropical themes of Miami Beach and Ocean Drive
- The design could also incorporate this year's theme: *East Meets West: Art Deco from Shanghai to Miami*

The contest kicks off Friday December 1, 2006 and all entries must be received by Wednesday, December 20, 2006. The entries will then be judged by our local *Arf Deco* committee members.

The winner will:

- have the honor of their design printed on various *Arf Deco* promotional materials
- receive a congratulatory goodie bag filled fun prizes
- have the distinction of riding in the Art Deco Weekend opening parade with accompanying family members as well as the school Principal or other school representative
