

Art and Antique Vendor Application

**Early Bird Special
rates until 15 June!**

The Art Deco Weekend Festival was started in 1978 by the Miami Design Preservation League to attract visitors to Miami Beach's Art Deco District and to raise awareness and appreciation of the arts and culture of the Art Deco era (approximately 1925–1945). In 2008, the festival attracted more than a quarter million visitors. Next year's event will take place Friday through Sunday, January 16–18, 2009, with the theme **Down Argentine Way: Deco • Vino • Tango**.

ARTISTS and ANTIQUE VENDORS

All artist and antique vendor applications are screened through a jury process. In order to assist the jury in evaluating your work, photographs of your merchandise must accompany your application. The photos should clearly show the Art Deco merchandise/artwork that you will be selling. All decisions by the jury are final. MDPL's office staff does not participate on the jury and cannot influence or alter jury decisions. Jury decisions to allow participation by a particular artist/vendor are based on the guidelines below.

GUIDELINES

Our vendors, and the merchandise they sell, are the festival's most prominent visual element and an important educational tool. Therefore, the jury will review applications to ensure that all merchandise fulfills at least one of the following criteria:

- That it displays the Art Deco architecture of Miami Beach.
- That it displays the Art Deco architecture (including Streamline Moderne, Nautical Moderne, Stripped Classical, Depression Moderne, De Stijl, Bauhaus) of any locale.
- That it displays Art Deco design motifs (see related styles above).
- That it displays antiques from the era (approximately 1925–1945).
- That any new merchandise accurately represent the fashions, clothing, furniture, housewares, graphic design, industrial design, toys and/or decorative objects of the Art Deco era, and/or reflect the conditions of the Great Depression of the 1930's.

APPLICATION CHECKLIST

Your completed application should include **all** of the items below. Incomplete applications may not be considered by the jury.

- Vendor Application (pages 2–4)
